

OTC MEDICATIONS: A FOCUS ON PROTECTING YOUR SKIN

June 26, 2016

1:00 – 3:15 P.M.

Samford University, Ingalls Hall, Room 004/006

2 CE hours (0.2 CEUs)

Speaker: Terri Wensel, Pharm.D., BCPS, faculty McWhorter School of Pharmacy

This is a knowledge-based CPE activity and appropriate for all pharmacists and pharmacy technicians. To receive credit, participants must attend the entire session and complete the program assessments. Credit will be sent electronically through CPE Monitor within 30 days following the program.

ACPE # 0002-0000-16-031-L04-P/0002-0000-16-031-L04-T

Program Objectives are for both pharmacists and pharmacy technicians

Upon completion of the continuing education program, the learner will be able to:

- Differentiate between a variety of skin ailments such as sunburn, poison ivy and insect stings
- Determine if it is appropriate for a patient to self-treat
- State standard knowledge parameters for select medications
- Determine an appropriate course of treatment for a given patient case

Cost:

Pharmacists - \$50 (\$60 at the door)

Pharmacy technicians - \$25 (\$30 at the door)

Preregistration closes at midnight June 23rd. There will be no refunds unless cancellation is made before preregistration closes.

Agenda:

12:30 P.M. Registration and sign-in

1:00 P.M. OTC Medications: A Focus on Protecting Your Skin

3:15 P.M. Dismissal and Evaluation
